

Tabs

Tabs group together content and display one at a time, they should not be used for important content as it may not be visible on page load. Tabs should be presented horizontally and above content.

Tabs

- The benefits of auction
- The types of auctions we offer
- Online auctions

Content 1

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book.

Mobile behaviour

If the total width of the tab items exceeds the screen width on mobile, the tab list should be scrollable horizontally.

Admin panel tabs

Admin panels can have tabs as a header. Selecting each tab will change the content shown within the admin panel content. The light & dark gradient and block colours can all be used as the highlight colour for the selected tab. A maximum of 2 tabs should be used within an admin panel. Tab title's should be brief.
